TREE OF THE YEAR 2025

Would you like to promote the European Tree of the Year and your national Tree of the Year in your country? We have prepared a communication kit that will help you reach the best results!

1. ABOUT THE CONTEST

The European Tree of the Year is a contest that highlights the significance of trees in the natural and cultural heritage of Europe and the importance of the ecosystem services trees provide. The contest is not looking for the most beautiful tree, but for a tree with a story, a tree rooted in the lives and work of the people and the community that surrounds it.

During the month of February everyone can choose their favorite trees through online voting at

www.treeoftheyear.org.

SCHEDULE

- 31 January | launch of the trees that will be competing in ETY 2025—trees and their stories will be online (without possibility to vote)
- 3—24 February | voting phase | secret voting at www.treeoftheyear.org/vote
- 19 March | Award Ceremony at the European Parliament, YEHUDI MENUHIN amphitheatre
- 20 March | 9 am—12 pm National organizers meeting in Brussels/Workshop about trees protection in European countries (TBA)

HISTORY

The European Tree of the Year contest originated in 2011. It was inspired by the popular Tree of the Year contest, which has been organised in the Czech Republic by the Czech Environmental Partnership Foundation for many years. The European round is a finale consisting of the winners of the national rounds, organized by the Environmental Partnership Association.

Every year, winners are celebrated in Brussels, in a cultural and festive evening bringing together tree lovers, decision-makers, environmentalists, landowners and national organizers
